President's Message

Thank you all for your warm welcome as I assume the role as the new President of the Long Island Corvair Association. A special thanks to our outgoing officers for the great work they have done for the club.

I have some exciting updates to share...

First, you will notice LICA's updated and refreshed newsletter. We have changed the format to up to date on what is happening with the organization. I would like to thank Michel for doing a great job in his new position as newsletter editor. If you have any stories or updates to include, please be sure to email Michel directly.

Second, we have launched a new LICA website. The website will serve as the chapter's official site and the source for the most up to date information. You can view our new website at www.corvair.org/chapters/longisland.

Additionally, with our new membership coordinator, Steve Sassi, you will see we have included a customized LICA application. The purpose of this is to have an updated database for all our club members. **Please see additional information about this form in the Membership Update section.**

Lastly, we have launched a Long Island Corvair Association online store. This store allows our club members to buy official LICA apparel. Check it out at www.cafepress.com/LICA.

Should you have any questions, please feel free to reach out and we hope to see you at our events!

- Matthew DePace, President
Long Island Corvair Association

Membership Update

First, as an important note, **Memberships are due this month** for the Long Island Corvair Association!

The club is updating our master database for all old/new club members. We have included a few things in this newsletter:

1. LICA Application
2. Self-addressed envelope for the above form and membership dues.

Please Note: Each member's application is **customized** to the information we have on file for you. You will notice that some information may be wrong—so if that is the case, **please mark the page on the empty and incorrect fields.**

Email, Email, and Email- Of course, LICA will always have a printed newsletter, but we are trying to collect email addresses for important news updates that we need to share with our members quickly. Please make sure to fill out that field.

Once you are finished, please mail the form back to LICA with your 2013 membership dues in the envelope provided. And most importantly- **please print legibly.**

Thank you for your support as we create a master database for the Long Island Corvair Association.

April Birthdays
